Dear Club Members,

Due to Pandemic Situation, things are not still normal. We will try to undertake service projects following the norms of unlock down rules.

October is Community Economic Development Month.

WhatsApp group is formed with Annes of Rotarians, the response is good. The purpose is to involve Annes in service projects and giving an idea on Rotary activity.

There is good appreciation to our Rotary Dakshin from other clubs. We thank Editor Rtn. R.V.Rajshekhar, for his efforts. Request other members to extend helping hand by providing information.

A novel idea is initiated by our Senior Rotarian R.V.Rajshekhar, "GURUKUL" a concept of gathering children in a community and getting involved with them like activating their ideas, invigorating their efficiencies, channelizing their energy on a total personality development which emphasizes

1. Leadership skill identification
2. Responsibility towards Society
3. Identifying /extracting inner skills
4. Educating on Common issues

This will not be a boring class room session.

As a start-up Our Club Secretary n madam Hymavathi along with colony president Informed parents n children below 8th Std, as we reached the venue a local apartment cellar, the place is full. The program went on very interactive. Rtn Rajshekhar is trying to create a curriculum for this program and wanted to extend a five week program at each place and move on to different Localities/ communities /locations.

TEACHING MORAL SCIENCE IN A NEW THOUGHT PROCESS

We are yet to add few new members. We request members to suggest prospective members.

We could conduct two physical meetings following SMS and one zoom Meeting. We have to sell Polio Raffle tickets to our friends to create awareness that Rotary is Main drive for Polio eradication around the world.
